

CIREX SI 034

Semi permanent releasing agent

Description

CIREX Si 034 is a universal semi permanent release agent which facilitates several releases per application and significantly reduces contamination of the moulds. It is stable up to 350°C

There is little risk of auto release on large parts thanks to a sufficient surface tension

Cirex Si 034 can be applied on one operation, it does not leave any traces and do not need polishing to obtain a shine

Application

1. Clean the mould with the cleaner Cirex Si 019
2. On a new mould or scoured mould apply 2 coats of sealer Cirex Si 23 (see technical data sheet)
3. Apply 4-5 coats of release agent Cirex Si 34 every 10mn. Soak in a cotton cloth and apply in circular movements. You do not need polishing in order to obtain a shine
4. Wait 2-3 hours after the last coat then mould
5. Apply a thin coat after few moulds and before contamination of the mould

Life Span

12 months in a closed container

Packaging

in 5 liters drum

LEGAL NOTES: SICOMIN reserves the right to change the properties of its products. All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data and tolerance may vary due to circumstances beyond our control. No warranties of any kind are made except that the materials supplied are of standard quality. All risk and liabilities arising from handling, storage and use of products, as well as compliance with applicable legal restrictions, rests with the user.

MENTIONS LÉGALES : SICOMIN se réserve le droit de modifier les propriétés du produit. Toutes les caractéristiques spécifiées dans cette Fiche technique sont basées sur des tests de laboratoire. Les mesures et leurs tolérances effectives peuvent varier pour différentes raisons. SICOMIN se réserve le droit Aucune garantie de quelque nature que ce soit, sauf que les matériaux fournis sont de qualité standard. Tous les risques et responsabilités découlant de la manutention, le stockage et l'utilisation des produits, ainsi que le respect des restrictions légales applicables, incombe à l'utilisateur.
